NEWS REELING (Krazy Kat Cartoon)

Krazy Kat is a camera man for a news reel company. He is bawled out by the editor for forever bringing back steeplechase shots. He is requested to go out and bring back some real news.

He sees an astrologer shooting a rocket. The feline hitches on and is taken to Mars. There he gets many unusual and fantastic shots. When he has enough, he flies down to earth again.

Once more, Krazy Kat is in the projection room together with the editor. When the film is flashed on the screen, all that can be seen are hurdles and the old steeplechase shots. The editor in despair throws Krazy Kat out.
